

AOPA Training Night - All I Want for Christmas Is My ADS-B

We may not all be excited about the 2020 ADS-B mandate, but resistance is futile. Join AOPA for a presentation on the history and benefits of ADS-B, how to become compliant in advance of the January 2020 mandate—and how you might save a few bucks while you're at it.

Directions: Please join us in the NACC. Parking is available just off of Bucheimer Road, in the front of the hangar. [Click here for map.](#)

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
